

ParaMed Inc. - Multi-Year Accessibility Plan (Ontario Locations)

Note: Until January 1, 2017, this organization was a division of Extendicare (Canada) Inc. As such, AODA reporting was done under that organization's business number. "Required Completion Dates" indicated are as per the AODA.

Introduction and Statement of Commitment

The Ontario government passed the *Accessibility for Ontarians with Disabilities Act* (AODA) in 2005. It is the goal of the government of Ontario to make Ontario accessible by 2025. ParaMed Inc. is committed to complying with the *Accessibility for Ontarians with Disabilities Act, 2005* and all of the standards under it in order to meet the accessibility needs of persons with disabilities in a timely manner.

The regulations associated with the Integrated Accessibility Standards (hereafter referred to as the "IASR") under the AODA require that effective January 1, 2014, ParaMed Inc. establish, implement, maintain and document a multi-year accessibility plan which outlines the organization's strategy to prevent and remove barriers for persons with disabilities and to meet its requirements under the Act.

Under the AODA, in addition to certain general standards, the following accessibility standards set certain requirements that are or may be applicable to ParaMed Inc.:

- Information and Communications;
- Employment;
- Design of Public Spaces; and
- Customer Service

This multi-year plan outlines ParaMed Inc.'s strategy to prevent and remove barriers to address the current and future requirements of the AODA, and in order to fulfill our commitment as outlined in ParaMed Inc.'s Accessibility Policies.

Unless otherwise noted, this Accessibility Plan applies to ParaMed Inc.'s Ontario locations.

In accordance with the requirements set out in the IASR, ParaMed Inc. will:

- Post this plan on its website (www.paramed.com);
- Provide this plan in an accessible format, upon request; and
- Review and update this plan at least once every five years

Integrated Accessibility Standards Regulation

1. Emergency Procedure, Plans or Public Safety Information

Commitment:

ParaMed Inc. is committed to complying with the provisions of the AODA in respect of this requirement, with the objective of making our company premises safer for persons with disabilities during emergency circumstances.

Action Taken:

The following measures were implemented by ParaMed Inc.'s predecessor reporting organization effective January 1, 2012:

- Emergency procedures, plans and public safety information that are prepared by ParaMed Inc. and made available to the public, will be made available in an accessible format or with appropriate communication supports, as soon as practicable, upon request;

Required compliance date: January 1, 2012

Status: Completed.

2. Workplace Emergency Response Information

Commitment:

Where ParaMed Inc. is aware that an employee has a disability and that there is a need for accommodation, individualized workplace emergency response information will be provided to the employee as soon as practicable if such information is necessary given the nature of the employee's disability.

Action Taken:

The following measures were implemented by ParaMed Inc.'s predecessor reporting organization effective January 1, 2012:

- Where the organization becomes aware of the need to accommodate an employee's disability, and if the employee's disability is such that the individualized emergency response information is necessary, ParaMed Inc. will provide individualized workplace emergency response information to the employee with the disability as soon as practicable after it becomes aware of the need.
- If an employee who receives individualized workplace emergency response information requires assistance, with the employee's consent, ParaMed Inc. will provide the workplace emergency response information to the person designated by the organization to provide assistance to the employee.
- ParaMed Inc. will review the individualized workplace emergency response information when:
 - the employee moves to a different location in the organization;
 - the employee's overall accommodations needs or plans are reviewed; and/or
 - ParaMed Inc. reviews its general emergency response policies.

Required compliance date: January 1, 2012

Status: Completed and acknowledged.

3. Accessibility Policies and Multi-Year Accessibility Plan

Commitment:

The organization commits to making its policy documents publicly available, and will provide them in an accessible format upon request.

The organization will:

- Establish, implement, maintain and document a multi-year accessibility plan, which outlines the organization's strategy to prevent and remove barriers and meet its requirements under this Regulation;
- Post the accessibility plan on our website and provide the plan in an accessible format upon request; and
- Review and update the accessibility plan at least once every five years.

Required Compliance Date: January 1, 2014

Status: Completed and acknowledged.

4. Self-Service Kiosks (Effective January 1, 2014)

7. Employment Standards (also see “2. Workplace Emergency Response Information” above)

(i) Recruitment

Commitment:

ParaMed Inc. is committed to complying with the provisions of the AODA in respect of this requirement, with the objective of making the recruitment process accessible to persons with disabilities.

Planned Action:

In accordance with the IASR, ParaMed Inc. will do the following:

Recruitment General

ParaMed Inc. will notify employees and the public of the availability of accommodation for applicants with disabilities in the recruitment process. This will include:

- A review and, as necessary, modification of existing recruitment policies, procedures, processes and templates.
- Specifying that accommodation is available for applicants with disabilities, on ParaMed Inc.’s website and on job postings.

Recruitment, Assessment and Selection

ParaMed Inc. will notify job applicants, when they are individually selected to participate in an assessment or selection process, that accommodations are available upon request in relation to the materials or processes to be used in the assessment/selection process. This will include:

- A review and, as necessary, modification of existing recruitment policies, procedures, processes and templates;
- Inclusion of availability of accommodation notice as part of the script in the scheduling of an interview and/or assessment;
- If a selected applicant requests an accommodation, consult with the applicant and arrange for provision of suitable accommodations in a manner that takes into account the applicant's accessibility needs due to disability.

Notice to Successful Applicants

When making offers of employment, ParaMed Inc. will notify the successful applicant of its policies for accommodating employees with disabilities. This will include:

- A review and, as necessary, modification of existing recruitment policies, procedures, processes and templates;
- Inclusion of notification of ParaMed Inc.'s policies on accommodating employees with disabilities in offer of employment letters.

Required compliance date: January 1, 2016

Status: Completed.

(ii) Employee Supports

Commitment:

ParaMed Inc. is committed to complying with the provisions of the AODA in respect of this requirement, with the objective of informing employees of available accessibility supports.

Planned Action:

In accordance with the IASR, ParaMed Inc. will:

- Inform its employees of its policies used to support its employees with disabilities, including, but not limited to, policies on the provision of job accommodations that take into account an employee's accessibility needs due to disability.
- Provide the information required to new employees as soon as practicable after they begin their employment.
- Provide updated information to its employees whenever there is a change to existing policies on the provision of job accommodations that take into account an employee's accessibility needs due to disability.
- Where an employee with a disability requests it, consult with the employee to provide or arrange for the provision of accessible formats and communication supports for:
 - Information that is needed in order to perform the employee's job; and
 - Information that is generally available to employees in the workplace.
 - ParaMed Inc. will consult with the employee making the request in determining the suitability of an accessible format or communication support.

Required compliance date: January 1, 2016
Status: Completed.

c. Documented Individual Accommodation Plans/Return to Work Process

Commitment:

ParaMed Inc. is committed to complying with the provisions of the AODA in respect of this requirement, with the objective of improving accommodation and return to work processes in the workplace.

Planned Action:

ParaMed Inc.'s existing policies will be reviewed to include processes that ParaMed Inc. will follow to accommodate an employee with a disability and to facilitate an employee's return to work after absenteeism due to disability.

ParaMed Inc. will review and assess the existing policies to ensure that they include a process for the development of documented individual accommodation plans for employees with a disability, if such plans are required.

ParaMed Inc. will ensure that the process for the development of documented individual accommodation plans includes the following elements:

- The manner in which an employee requesting accommodation can participate in the development of the individual accommodation plan.
- The means by which the employee is assessed on an individual basis.
- The manner in which ParaMed Inc. can request an evaluation by an outside medical or other expert, at ParaMed Inc.'s expense, to assist ParaMed Inc. in determining if accommodation can be achieved and, if so, how accommodation can be achieved.
- The manner in which the employee can request the participation of a representative from their bargaining agent, where the employee is represented by a bargaining agent, or other representative from the workplace, where the employee

is not represented by a bargaining agent, in the development of the accommodation plan.

- The steps taken to protect the privacy of the employee's personal information.
- The frequency with which the individual accommodation plan will be reviewed and updated and the manner in which it will be done.
- If an individual accommodation plan is denied, the manner in which the reasons for the denial will be provided to the employee.
- The means of providing the individual accommodation plan in a format that takes into account the employee's accessibility needs due to disability.

Individual accommodation plans will:

- If requested, include any information regarding accessible formats and communications supports provided, as required in the Standard;
- If required, include individualized workplace emergency response information, as required in the Standard; and
- Identify any other accommodation that is to be provided.

ParaMed Inc. will ensure that the return to work process as set out in its existing policies outlines the steps ParaMed Inc. will take to facilitate the employee's return to work after a disability-related absence, outlines the development of a written individualized return to work plan for such employees, and requires the use of individual accommodation plans, as discussed above, in the return to work process.

Required compliance date: January 1, 2016

Status: Completed.

d. Performance Management, Career Development and Redeployment

Commitment:

ParaMed Inc. will take into account the accessibility needs of employees with disabilities, as well as individual accommodation plans:

- When using its performance management process in respect of employees with disabilities;
- When providing career development and advancement to its employees with disabilities;
- When redeploying employees with disabilities.

Planned Action:

In accordance with the IASR, ParaMed Inc. will:

- Review, assess and, as necessary, modify existing policies, procedures, practices and templates to ensure compliance with the IASR;
- Take the accessibility needs of employees with disabilities and, as applicable, their individualized accommodation plans, into account when:
 - Assessing performance
 - Managing career development and advancement
 - Redeployment is required

Required compliance date: January 1, 2016

Status: Completed.

8. Design of Public Spaces Standard (Accessibility Standards for the Built Environment)

ParaMed Inc. will follow the standards set out in the Design of Public Spaces Standard in circumstances where it qualifies as an obligated organization under the Act and constructs or redevelops any public space to which the Act applies.

ParaMed Inc.'s company policies for preventive and emergency maintenance will apply equally to the accessible elements of any public spaces within our built environment to which the Act applies.

Where accessible elements attached to any public spaces to which the Act applies are not in working order due to temporary disruptions, the organization will issue a public notice in a timely manner in the event of a planned or unexpected disruption of service or inaccessibility of facilities used by persons with disabilities. The notice will include the reason of the disruption, the anticipated duration, and a description of alternative facilities or service, if any, that may be available.

Required compliance date: January 1, 2017
Status: Completed.

9. Customer Service Standard

Commitment:

The Customer Service Standard was created to establish accessibility standards for customer service in Ontario. In keeping with this regulation, the organization is committed to providing respectful services that focus on the unique needs of the individual.

To achieve this, the organization makes reasonable efforts to ensure that its policies, procedures and practices pertaining to the provision of goods and services to the public and other third parties adhere to the following guiding principles as set out in the IASR.

- Our goods and services must be provided in a manner that respects the dignity and independence of persons with disabilities.
- The provision of our goods or services to persons with disabilities and others must be integrated unless an alternate measure is necessary, whether temporarily or on a permanent basis, to enable a person with a disability to obtain, use or benefit from the goods or services.

- Persons with disabilities must be given an opportunity equal to that given to others to obtain, use and benefit from the goods or services.

Action Taken:

The following measures have been implemented by ParaMed Inc.:

- Ensuring that the updated requirement (see reference to July 1, 2016 update below) that every person who is an employee of, or a volunteer with, ParaMed Inc., every person who participates in developing ParaMed Inc.'s policies and every other person who provides goods, services or facilities on behalf of ParaMed Inc., receive training about the provision of the provider's goods, services or facilities, as the case may be, to persons with disabilities.
- Ensuring completion of accessibility training is tracked and recorded;
- Ensuring staff are trained and familiar with various assistive devices that may be used by customers with disabilities who are accessing the ParaMed Inc.'s goods or services;
- Ensuring customers accompanied by a guide dog or other service animal in areas of ParaMed Inc. open to the public and other third parties, are accommodated. In regards this requirement, the organization also implemented the updated requirement (see reference to July 1, 2016 update below) expanding the list of regulated health professionals able to authorize a service animal;
- Ensuring that if a person with a disability is accompanied by a support person, the support person is accommodated. In regards this requirement, the organization also implemented the updated requirement (see reference to July 1, 2016 update below) with respect to consulting with the person with the disability about the need for a support person and that such support person may only required by the organization under the circumstances described in the Act.
- Issuing a public notice in a timely manner in the event of a planned or unexpected disruption of service or inaccessibility

of facilities used by persons with disabilities. The notice must include the reason of the disruption, the anticipated duration, and a description of alternative facilities or service, if any, that may be available.

- Continuing to welcome and appreciate feedback from persons with disabilities through multiple communication methods.
- In regards to accessible formats and communications supports, the organization implemented the updated requirement (see reference to July 1, 2016 update below) that the organization shall, on request, and in consultation with the person making the request, provide or arrange for the provision of the document, or the information contained in the document (a) in a timely manner that takes into account the person's accessibility needs due to disability; and (b) at a cost that is no more than the regular cost charged to other persons.

Required compliance date: January 1, 2012; Updates July 1, 2016 to noted sections
Status: Completed.

10. Compliance

Planned Action:

ParaMed Inc. will file the accessibility report required under the Act in accordance with the provisions contained in the Act using the Accessibility Compliance Reporting Tool.

Next Required compliance date: December 31, 2017
Status: On schedule to be completed.
